

Directions to Register Online for Early Childhood Programs at the San Francisco Zoo

If you'd like to register for individual classes of Little Learners or Animal Adventures for the remaining July/August session, you may call (415) 753-8140. Starting August 17th, you may sign up for the September/October series online or by phone. Register for Young Zoologists at any time. Please follow these directions below to complete the online registration process starting August 17th:

- Remember this is only for registering for the entire 6 week series. See below to register for individual classes within the session.
- Click on the "Do" button on the main Zoo page (www.sfzoo.org)
- You should find yourself in the calendar section.
- Click on the month and be sure that you are in September.
- Click on the class listed on the calendar that you wish to enroll in (Thursday 9am, Friday 10am, etc). Be sure to click on the first week's classes (week of September 8-11); other following weeks will not have the register link.
- You should see a page containing the description. At the bottom of the page there will be a "Register" button (it will only be there between August 17th and 2 days before your class begins. After that you can still register, but need to do so over the phone). Click that and follow the directions.
- When they ask for "Name" of the registrant, they're asking for the child's name.
- If it's not working... sorry!!! Call (415) 753-8140 to sign up over the phone.

If you need to pick and choose your dates instead of doing the entire series, leave a phone message at (415) 753-8140 or email at toddlers@sfzoo.org (**on or after August 17th for the September/October session**) Please leave your name, child's name, class day and time, and the dates you'd like to enroll for, and of course a phone number to reach you. You will be called back to confirm availability and get your payment details. Please do not leave your credit card number on voicemail or email.
